

PUBLICATION

Our monthly magazine “The Legend” winner of the prestigious Old Cars Weekly Golden Quill Award, contains articles on restoration and technical information, as well as feature articles on members’ cars, chapter news, performance tips and GTO history.

The activities of GTOAA chapters across North America are reported and each month you’ll enjoy feature columns by knowledgeable Pontiac enthusiasts.

The classified ads section of “The Legend” is one of the largest all-GTO classifieds in the nation. Cars, parts, and literature can be sold or requested. Members may insert up to 100 words of advertising free each month as part of their membership privileges.

TECHNICAL ADVISORS

Another benefit of GTOAA membership is access to expert technical advisors. These people can assist you with restoration, “mods,” and general maintenance. Most issues ranging from paint to suspension, from interiors, to drivetrains, and many other tech areas can be answered by the GTOAA technical staff.

LOCAL CHAPTERS

The GTOAA has nearly 40 official chapters all over America. Local chapters sponsor shows, cruises, tours, rallies, and promote the GTOAA on the local level. The GTOAA Chapter Coordinator can help you start a new chapter if you are interested. All official chapters meeting membership requirements receive liability insurance coverage of three million dollars for events such as meetings, cruises and shows.

INTERNATIONAL MEET

The annual International Meet is the highlight of the year for GTO enthusiasts. The event has become the largest gathering of GTO enthusiasts in the world. Highlights of the Meet typically include performance and technical seminars, and a Concours and Popular Vote show, drag racing when available, a swap meet, guest speakers, a parking lot party and an awards program.
